

THE HOPE CHAIN

Official Information & Registration Booklet

What is The Hope Chain?

The Hope Chain is not a chain of illness.
It is a chain of hope, courage, resilience and survival.

Every bead represents a chapter of a person's journey. Some beads represent difficult moments, others celebrate strength, love, healing and personal milestones. Together they tell a unique story.

Who can receive a Hope Chain?

The Hope Chain is designed for people living with chronic illness, disability, long-term medical treatment or palliative care, as well as anyone whose journey is marked by resilience and hope.

Hope Chain Passport

Each Hope Chain comes with its own Hope Chain Passport. The passport records the meaning of each bead and preserves the personal story behind it.

Bead Guide

- Open Heart: The beginning of my journey.
- Ivory/Cream: Peace, comfort and support.
- Light Blue: Crash Survivor.
- Teal: Rest and listening to my body.
- Pink: Hope and joyful moments.
- Brown: Hard times and setbacks.
- Purple: A new chapter.
- Silver: Major milestone.
- Heart Bead: Love and the people who give strength.
- Colourful: Joy and special memories.
- Tiny White: New beginnings.
